Who Should Complete this Application?

Any student who will attend on a non-immigrant visa should use this form and follow the steps listed below. U.S. citizens and permanent residents should visit ohio.edu/apply for application instructions.

Application Instructions

Step 1:
Complete the enclosed international application form and send with a U.S. $70.00 nonrefundable application fee. Checks or money orders should be drawn on a U.S. bank or a bank with U.S. affiliates. Postal coupons and "Eurocheques" are not accepted. If you prefer, you can submit the application form and pay the application fee online at **ohio.edu/admissions/international/apply**.

Step 2:
Copies of your academic records are required from every secondary and post-secondary institution you have attended. Unofficial academic records may be submitted to admissions@ohio.edu to receive an admissions decision. Final, official documents must be submitted prior to the start of the first semester. Official documents must be submitted directly to Undergraduate Admissions, Chubb Hall 120, 1 Ohio University Drive, Athens OH 45701 in envelopes that have been sealed and stamped by the institution, the Ministry of Education in the country of instruction or EducationUSA or related binational organization.

Transcripts or academic records should list each course title, the credit or contact hours for each course, and the grade received.

- Transcripts from U.S. and Canadian schools or universities must be sent directly to Undergraduate Admissions by the issuing institution.

- If you have studied in any other country, official certified or attested copies of your academic records are required. If the original is not in English, also include a certified translation.

- If you are currently in a U.S. high school but have taken secondary classes outside of the U.S., please have your current high school counselor send copies of your international transcripts with your U.S. transcripts.

Step 3:
Applicants who wish to provide standardized test results, either SAT or ACT, may have scores sent to Undergraduate Admissions. Undergraduate Admissions requires that test results be sent directly from the testing agencies. OHIO's ACT code is 3314, and the SAT code is 1593. Applicants who do not wish to provide standardized test results may apply as a test-optional applicant by noting so in the application below.

Step 4:
Applicants may choose to submit additional application materials with the application form. Optional application materials could include essays; teacher or counselor recommendations; lists of extra-curricular activities or employment; and/or descriptions of honors, awards and achievements. The applicant's full name should be clearly displayed on any supplemental documentation.

Step 5:
Send official TOEFL, IELTS, Duolingo English Test or other demonstration of English proficiency. Non-native English-speaking students must demonstrate English proficiency in order to be admitted directly to full-time academic study. Visit **ohio.edu/english-proficiency** for minimum score requirements, a full listing of acceptable means of demonstrating English proficiency, as well as policy exemptions.

Additional Requirements

An essay is not required for general admission to OHIO, though applicants may choose to submit an essay to supplement their application. Honors Tutorial College applicants are required to submit two essay responses. College of Business and School of Journalism applicants are encouraged, though not required, to submit one essay response.

Some OHIO majors have more selective admission guidelines. A list of guidelines for selective majors can be found at **ohio.edu/admissions/freshman/selective-programs**.

Students admitted to Ohio University will be asked to verify criminal and school discipline history during the enrollment confirmation period.

Test Optional Pathway

OHIO does not require students to submit ACT or SAT test scores for undergraduate admission or merit scholarship consideration. If you choose to submit standardized test scores, they must be submitted directly from the testing agency. (SAT school code: 1593; ACT school code: 3314)

Note: OHIO considers the Evidenced-based Reading and Writing scores from the SAT.

Students should indicate whether or not they plan to apply test-optional in the "standardized tests" section of the application.

Learn more about OHIO's test-optional pathway at **ohio.edu/admissions/ apply/test-optional**.

Honors and Scholars Opportunities

Students interested in pursuing an Honors Tutorial College major should select the appropriate college and major code on the application form.

All applicants are considered automatically for all other honors and scholars opportunities. Honors and scholars opportunities at OHIO include the OHIO Honors Program (OHP), 1804 Scholars and OHP-designated honors and scholars programs specific to your academic college/major or other criteria. Please note that eligible selected students may be asked to complete a

separate supplemental application after they have submitted the Common Application. Most successful candidates submit: (1) the Common Application activities section, (2) one essay (either a Common Application essay prompt, OHIO's essay prompt or the essays for the Honors Tutorial College academic programs), and (3) at least one letter of recommendation.

More information can be found at **ohio.edu/honors**.

Completing the Form

Complete the application form completely and accurately, following the guidelines below:

- **Name.** Please list your name **as it appears in your passport**. Immigration-related papers will be completed using the name as you list it on your application.
- **Address.** Be sure to list your overseas home address as your permanent address for visa purposes.

- **Social Security Number.** If you do not have a U.S. Social Security number, leave this item blank.
