

Belmont College – Ohio University Plan

Engineering Technology Major (A.A.S.) Program Pathway

Ohio University Lancaster offers a two-year program leading to an Associate in Applied Science with a major in engineering technology. The Engineering Technology program is designed to offer students a technical foundation needed to help solve complex problems by exposing them to real-world applications using hands-on lab courses. Students are taught a variety of manufacturing processes and their related materials as well as skills in quality analysis tools (Lean), occupational safety, mechatronics, robotics, and automation. A large focus equipment mechatronics and robotics and automation. Concentration is on programming, troubleshooting, and repair of manufacturing equipment and systems. The various topics of the Associate of Applied Science degree provide the student with a wide variety of career opportunities. This degree prepares students as an electrical technician, mechatronics technician, and robotics and automation technician. Graduates may work for manufacturers or field service providers to set up and troubleshoot sensors, automated equipment, and robots to ensure productivity. Job titles may include industrial systems technician, automation specialist, or engineering technician, safety technician, and others.

The engineering track provides students with the opportunity to pursue baccalaureate programs offered by the Ohio University Russ College of Engineering and Technology. Students should discuss with their advisors the career pathway that best suits their individual interests.

Admission Requirements

- No additional requirements beyond University admission requirements for freshman or transfer admission.
- Transfer applicants must have a cumulative grade-point average of 2.0 or higher from all institutions previously attended to be considered for admission.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended. If you have completed fewer than 20 semester hours or 30 quarter hours of university or college coursework, you must also submit your high school transcript for evaluation.

Graduation Pathway: Belmont College Process Control Certificate to Ohio University Engineering Technology Major (A.A.S.)

Belmont College Courses Process Control Certificate

OHIO courses that may satisfy Ohio University BRICKS General education requirements are inside brackets [].

Semester 1 Belmont College	Semester Hours	Ohio University Equivalent Course
EIE 1301 Electrical Circuits	4.0	
EIE 1201 Digital Electronics	4.0	EE 1XXL
EIE 2315 Instrumentation	4.0	
MAT 1130 College Algebra	4.0	[MATH 1200]
Total	16.0	

Semester 2 Belmont College	Semester Hours	Ohio University Equivalent Course
CPT 2247 C++ Programming	3.0	
EIE 2210 Program Logic Controllers	3.0	EE 4913
ENG 1110 Composition I	3.0	[ENG 1510]
MAT 1140 Trigonometry	4.0	[MATH 1322]
Arts & Humanities Elective	3.0	Varies
Total	16.0	

Associate in Applied Science of Science in Engineering Technology Major Degree Requirements

To qualify for the Associate in Applied Science (A.A.S.) or the Associate in Applied Business (A.A.B.) degree is the completion of 60 credits with a 2.0 accumulative GPA in both the major area of study and all course work attempted at Ohio University. The Engineering Technology major program requires a minimum of 61 hours. A maximum of 15 credits earned through prior learning assessment may be applied to any technical associate degree. You must earn a minimum of 18 semester credit hours while enrolled at Ohio University, and you must earn a minimum of 50 percent of coursework taken to fulfill your major concentration in residence with resident credit as defined in the [Graduation Requirements – Universitywide section](#). You also must meet Ohio University [BRICKS](#) requirements for associate degrees. (See Graduation Requirements - Universitywide section) To earn a technical associate degree, you must complete an Application for Update of Program(s), available from any college office or regional campus student services office.

OHIO BRICKS General Education Requirements

Students completing Ohio University's applied associate degrees are required to complete 15 credit hours of Ohio Transfer 36-approved coursework including: Written Communication, Quantitative Reasoning, and Pillars or Arches. To complete the minimum 15 credit hours of Ohio Transfer 36-approved coursework, students may also complete OHIO's Ohio Transfer 36-approved Second Writing course, ENG 2800 - Writing with Research or OHIO's Ohio Transfer 36-approved Oral Communication course, COMS 1030 - Fundamentals of Public Speaking. The [General Education equivalency guide](#) lists Belmont College courses that have direct course equivalencies at Ohio University which meet OHIO's general education requirements.

Engineering Technology Major (A.A.S.) Required General Courses and Major Requirements

General Education Requirements for Applied Associate Degrees

Courses completed through Belmont College or OHIO.

Students completing Ohio University's applied associate degrees are required to complete 15 credit hours of Ohio Transfer 36-approved coursework including:

OHIO Course Name	Semester Hours
[ENG 1510] Writing and Rhetoric I (<i>satisfied with ENG 1110</i>)	3.0
[COMS 1030] Fundamentals of Public Speaking	3.0
[MATH 1200] College Algebra (<i>satisfied with MAT 1130</i>)	4.0
[MATH 2500] Statistics and Probability	4.0
[PHYS 2001] Introduction to Physics	4.0
Complete one of the following (3 credit hours) to fulfill OHIO BRICKS requirements: Humanities: Texts and Contexts (PHTC) Humanities: Arts (PHA) Social or Behavioral Sciences (PSBS)	3.0

Non-Major Required Course(s)

Courses completed through Belmont College or OHIO.

Complete the following courses with a grade of C or better:

OHIO Course Name	Semester Hours
CTCH 1250 Introduction to Computers	3.0

Engineering Technology Major Requirements

Core Curriculum

Courses completed through Belmont College or OHIO.

Complete the following courses with a grade of C or better:

OHIO Course Name	Semester Hours
ENGT 1100 Introduction to Engineering Technology	0.5
ENGT 1190 Manufacturing Materials and Processes	3.0
ENGT 1200 Basic Electronics	3.0
ENGT 1500 Machine Repair	3.0
ENGT 2100 Career Preparation in Engineering Technology	0.5
ENGT 2170 Computer Numerical Control Machining Principles	3.0
ENGT 2200 Basic Hydraulics and Pneumatics	3.0
ENGT 2210 Programmable Controllers, Instrumentation and Process Control I	3.0
ENGT 2230 Automation and Robotics	3.0
ENGT 2250 Programmable Logic Controllers II and Motor Controls	3.0
ENGT 2330 Automation and Robotics II	3.0
ENGT 2630 Process Control	3.0
ENGT 2850 Lean Enterprise	3.0
ET 1100 Engineering Graphics Fundamentals	3.0

Belmont College Elective Courses: Students should refer to the [General Education equivalency guide](#) and consult with their advisor when selecting electives to transfer to Ohio University's BRICKS General Education requirements.

Disclaimer:

The information on this guide is based on the catalog requirements posted in the 2023-2024 Ohio University catalog and related Belmont College equivalents as of the Last Updated date. All information is subject to change without notice. Courses are subject to availability at each institution. It is suggested that students meet with an advisor to discuss course selection based on offered options. **Last Updated: 6/1/2023**
