Columbus State Community College – Ohio University Plan

Bachelor of Science in Project Management Online Program Pathway

This online program for individuals with a completed associate degree leads to a Bachelor of Science in Project Management (BS PM) from the Russ College of Engineering and Technology, a minor in Business from the College of Business at Ohio University, and a Certificate in Lean Six Sigma Methods. This Project Management bachelor degree completion program is focused on enabling students to be able to develop comprehensive project management plans and documentation, control projects, and lead change in an organization. It is expected that our students will also be able to execute projects related to improving an organization's operations to be efficient and effective in meeting company and customer requirements.

Students will also learn about Agile project management approaches and which project management tools to use in specific situations. Students who wish to pursue the BS PM prior to earning an associate degree are encouraged to reach out to the program director to seek an advising session for a personalized degree plan.

Ohio University also offers an online graduate program in project management for people who have completed a four-year accredited degree. Information on that program can be found at: ohio.edu/project-management.

Admission Requirements
- Completed associate degree from a regionally accredited college or university.
- Combined 2.0 GPA from all prior college-level coursework.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended.

Application Information

Degree Requirements

To qualify for the Bachelor of Science in Project Management degree, a student must have completed all Ohio University graduation requirements: general education, college, major, minor, and residency. Students must earn a minimum of 30 semester hours of Ohio University credit, complete a minimum of 50% of the major course requirements at Ohio University, and complete a minimum of 120 total semester hours for graduation. Students must have a completed associate degree to enter the Project Management major. Students must have a GPA greater than 2.0 for all courses at Ohio University, for all courses in Russ College, and for all courses in the Project Management major. Students must have succeeded in all required courses taken in three or fewer attempts. The Project Management program requires 28 hours of OU ETM credit after transferring into ETM, with at least 16 hours at or above the 3000 level. Students will need to complete 18 hours of free electives to satisfy the 120-hour major requirement.

Ohio University BRICKS General Education Requirements

BRICKS is Ohio University's general education program, and requirements must be fulfilled by all baccalaureate degree students. BRICKS includes a minimum of 38 credit hours across five categories: Foundations, Pillars, Arches, Bridges, and Capstone. Courses used to satisfy BRICKS requirements may be completed through Columbus State or OHIO Online. The table below lists Columbus State Community College courses that have direct course equivalencies at Ohio University which meet BRICKS requirements. General education courses that may also satisfy program requirements are inside brackets.

OHIO BRICKS Requirement	CSCC Course Numbers
FOUNDATIONS - *Take one course from each listed category*	
Written Communication	[ENGL 1100] or [ENGL 1101]
