

Clark State College – Ohio University Plan

BRICKS Equivalency Guide

Ohio University BRICKS General Education Requirements

BRICKS is Ohio University's general education program, and requirements must be fulfilled by all baccalaureate degree students. BRICKS includes a minimum of 38 credit hours across five categories: Foundations, Pillars, Arches, Bridges, and Capstone.

BRICKS and the Ohio Transfer 36

Students who complete the minimum requirements of the Ohio Transfer 36 (OT36, formerly the Ohio Transfer Module), at another college or university prior to enrollment in a degree-seeking program at Ohio University will receive transfer credit equivalent to fulfilling Ohio University's BRICKS general education requirements in Foundations (excluding the Advanced Writing component, which requires completion of TME 002 Second Writing), Pillars, and Arches. If you have not completed the OT36 your courses will be evaluated on a course-by-course basis and will apply toward general education requirements as appropriate.

Individual courses completed that meet state guaranteed equivalences for the OT36, yet have no course equivalency at Ohio University will transfer to meet select requirements for Ohio University's BRICKS as follows:

Ohio Transfer 36 Category	BRICKS Category	BRICKS Component
TME 001 First Writing	Foundations	Written Communication
TME 002 Second Writing	Foundations	Advanced Writing
TMOOC Oral Communication	Bridges	Speaking and Listening
TMMSL Mathematics, Statistics, and Logic	Foundations	Quantitative Reasoning
TMAH Arts and Humanities	Pillars	Humanities: Arts or Humanities: Texts and Contexts
TMSBS Social and Behavioral Sciences	Pillars	Social or Behavioral Sciences
TMNS Natural Sciences	Pillars	Natural Sciences

This guide lists Clark State College courses that have direct course equivalencies at Ohio University which meet BRICKS requirements. Following this guide as you plan your transfer to Ohio University will allow you to complete portions of your BRICKS General Education requirements while at Clark State College. **Please note:** This is not an exhaustive list of transfer courses. In fact, every college-level course at Clark State College is transferable to Ohio University.
